

# Let's Make a Mini Book!

Put the pages in order to make a book.

And the five little pumpkins  
rolled out of sight!

1

The first one said, "Oh my,  
it's getting late."

2

The second one said,  
"There are witches in the air."

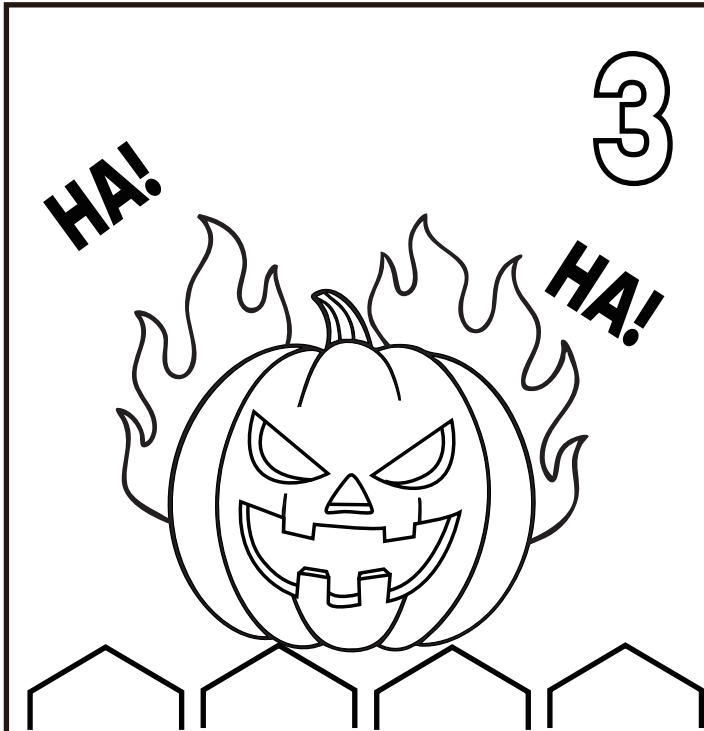

4

The fourth one said,  
"Let's run and run and run."

# Let's Make a Mini Book!

Put the pages in order to make a book.

The third one said,  
"But we don't care!"

The fifth one said,  
"I'm ready for some fun!"

Then whooooooo went the wind,  
And out went the light.

Five little pumpkins sitting  
on a gate.
