

People live in many kinds of houses.

1

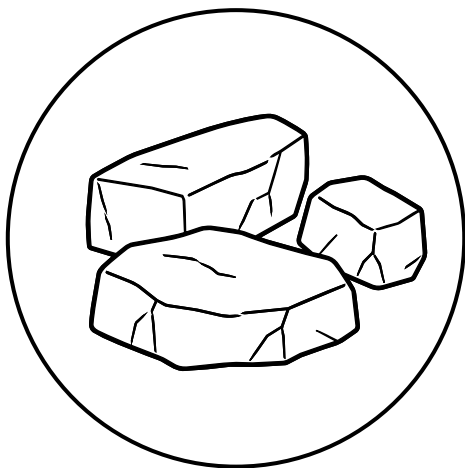

Some houses are made of wood.
Log cabins are found in forests.

2

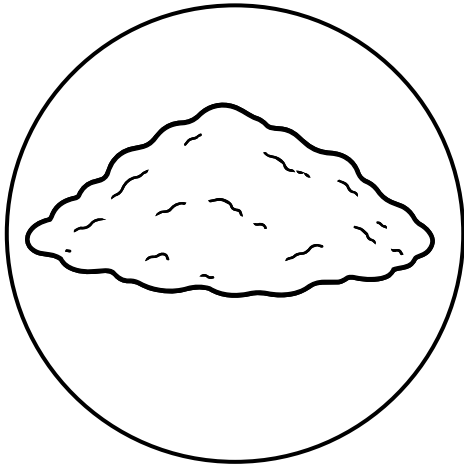

Some houses are made of bricks.
Brick houses are strong.

3

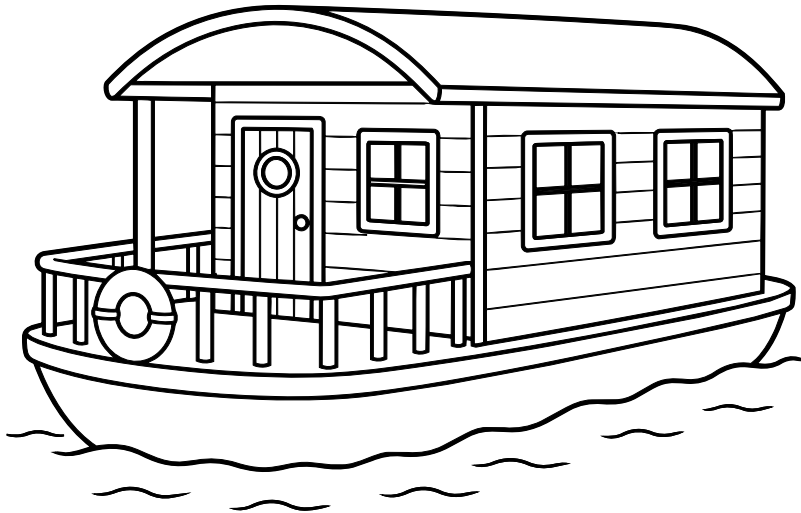

Some houses are made of stone.
Stone houses are strong, too.

4

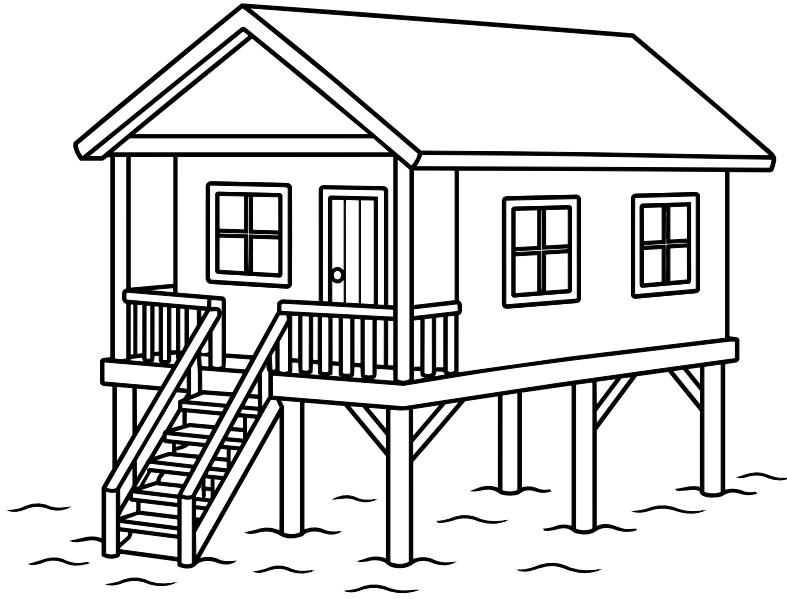

Some houses are made of mud.
Mud houses stay cool in hot weather.

5

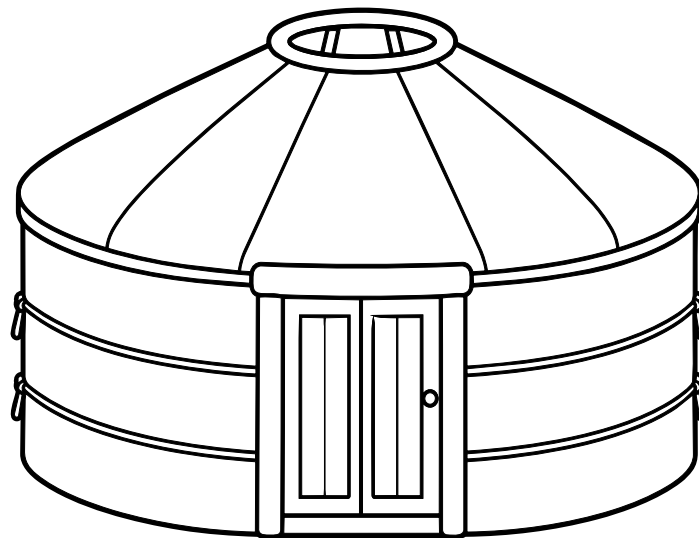

Some houses float on water.
These are called houseboats.

6

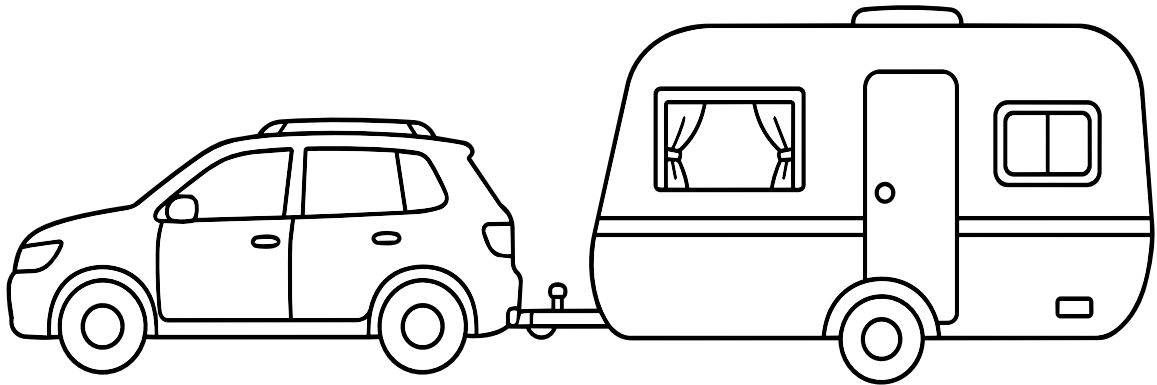

Some houses stand on tall legs.
These are called stilt houses.

7

Some houses are like tents.
Tents are light and easy to carry.

8

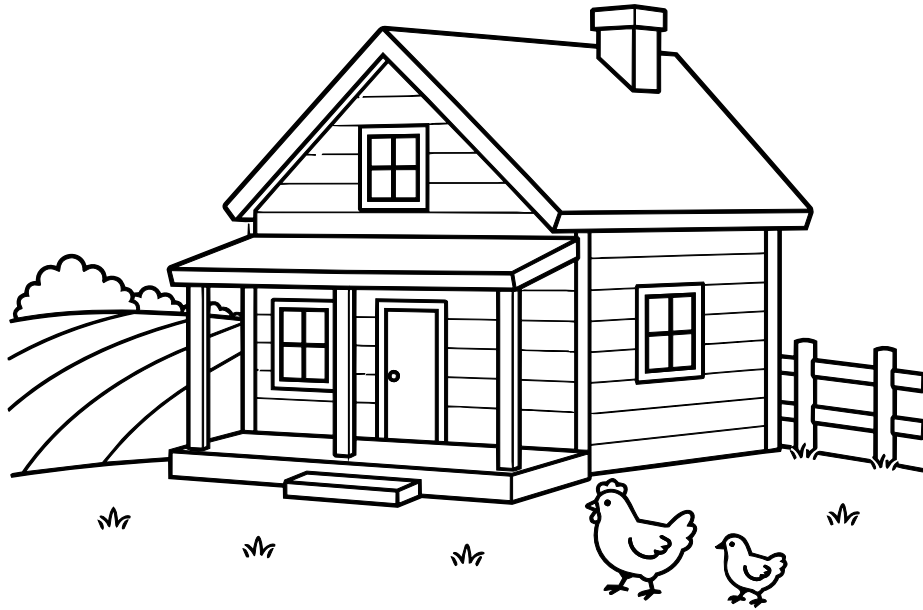

Some houses roll from place to place.
Caravans are homes on wheels!

9

Some houses are up in trees.
Treehouses are high and fun.

10

Some houses are on farms.
Farmhouses are near fields and animals.

11

Some houses are in busy cities.
People live in tall apartment buildings.

12

Every house is special in its own way.
What kind of house do you live in?
